

To earn a weekly prize you must go to your local Montmorency County Public Library Branch each week and show progress on your Activity Log. If you fill your log before the end of the program and still want to earn weekly prizes, read and list the books that you have read on the back of your log. Prizes may be substituted if we run out and t-shirt sizes are limited. If you really want a certain prize, be sure to come to the library early in the week.
