

# OCEANS OF POSSIBILITIES

Each week there will be an activity pack for program participants available for pick up at the library. Please only take one per participating child in your family. We ask that you do NOT pick up packets for other families When the items are gone we won't have more until the next week. There will also be weekly prize drawings that you will be able to enter. If there is more than one prize for the weekly drawing you will choose one prize you'd like to win & enter your ticket in that drawing.
